Epson m200 paper jam solution : fix - YouTube

A recurring 200.04 Paper Jam message means paper fails to feed any paper from Tray 1 or through the printer. A loose clutch unit on the paper pick arm assembly can cause this issue, or also an unsnapped / dislodged paper deflector. This latter can occur especially after the autocompensator unit (paper pick arm assembly) is replaced on the printer.

Computer Hardware: Installation, Interfacing, Troubleshooting and Maintenance is a comprehensive and well-organised book that provides sufficient guidelines and proper directions for assembling and upgrading the computer systems, interfacing the computers with peripheral devices as well as for installing the new devices. Apart from this, the book also covers various preventive and corrective steps required for the regular maintenance of computer system as well as the steps that are to be followed for troubleshooting. The text highlights different specification parameters associated with the computer and its peripherals. Also, an understanding of the technical jargon is conveyed by this book. Special coverage of laptops, printers and scanners makes this book highly modernised. The book is designed with a practice-oriented approach supported with sufficient photographs and it covers even the minute aspects of the concepts. Following a simple and engaging style, this book is designed for the undergraduate students of Computer Science and Computer Maintenance. In addition to this, the book is also very useful for the students pursuing Diploma courses in Computer Engineering, Hardware and Troubleshooting as well as for the students of Postgraduate Diploma in Hardware Technology and Application. Key Features

- Quick and easy approach to learn the theoretical concepts and practical skills related with the computer hardware.
- Comprehensive with enough illustrations to facilitate an easy understanding.
- Detailed solutions provided by the experts for certain common problems to make better interaction with the learner.
- An exclusive section Common Problems and Solutions to help in self resolving the general hardware related issues.

This book will give technicians and students all the background information and practical know-how they need to service and repair a full line of personal and business photocopiers.
