romanzo di esordio di Pasquale Mincione, è un dialogo immaginario che l'autore sostiene con il suo scrittore preferito, Charles Bukowski, nonché maestro di vita. Come Bukowski, infatti, anche Mincione ha conosciuto la sofferenza e l'oblio, vivendo ai margini, è stato a un passo dall'arrendersi ma ha saputo reagire alle avversità affidandosi prima di tutto alla sua grande passione: la scrittura. Non ci sono regole in questo libro, le parole scorrono come un flusso difficile da arginare. Riflessioni sulla società, ricordi che si mischiano a frammenti di vita reale, situazioni grottesche e disperate alle quali l'autore reagisce sempre con uno spirito bukowskiano, inteso come sfida beffarda, irriverente e (auto)ironica alle difficoltà che si incontrano lungo il cammino. Il gusto per la citazione, i continui rimandi ad autori che hanno segnato l'esistenza dell'autore, la scrittura vista come terapia fanno di Caro Buk un pastiche quasi surreale, nel cui messaggio finale è racchiuso il senso del lavoro di Mincione: “[...] anche se la Vita non vale niente non c'è niente però che valga una Vita, bella o brutta che sia”.

First published in 1891, Pellegrino Artusi's *La scienza in cucina e l'arte di mangiar bene* has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first

published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

Winner of the Whitbread Book of the Year 'Outstanding...a stunningly good read' Observer 'Mark Haddon's portrayal of an emotionally dissociated mind is a superb achievement... Wise and bleakly funny' Ian McEwan The Curious Incident of the Dog in the Night-Time is a murder mystery novel like no other. The detective, and narrator, is Christopher Boone. Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. He hates the colours yellow and brown and being touched. He has never gone further than the end of the road on his own, but when he finds a neighbour's dog murdered he sets out on a terrifying journey which will turn his whole world upside down.

This self-help guide shows the reader step-by-step how to perform at their peak while gaining emotional and financial freedom, attaining leadership and self-confidence, and winning the confidence of others. It should enable the reader to gain the knowledge and courage to remake themselves.

La vera cuciniera genovese by Emanuele Rossi La cucina dei genovesi ha subito, nel corso della storia, dall'epoca delle Crociate dell'espansione verso Oriente, una complessa stratificazione gastronomica, conseguenza di incroci, importazioni, sintesi di elementi mediterranei o comunque di merci di cui il Mediterraneo è stato il filo conduttore. La cuciniera genovese risale al 1863 ed è da ritenersi il primo saggio completo della cucina del territorio genovese. Tra le innumerevoli ricette qui contenute ricordiamo: l'acciugata composta, i maccheroni con trippa, il riso alle castagne e

"The Neverending Story" is Michael Ende's best-known book, but "Momo" published six years earlier is the all-ages fantasy novel that first won him wide acclaim. After the sweet-talking gray men come to town, life becomes terminally efficient. Can Momo, a young orphan girl blessed with the gift of listening, vanquish the ashen-faced time thieves before joy vanishes forever? With gorgeous new drawings by Marcel Dzama and a new translation from the German by Lucas Zwirner, this all-new 40th anniversary edition celebrates the book's first U.S. publication in over 25 years."

The first and only full-length critical study of Dario Fo, the 1997 Nobel Prize for Literature Winner This book, now extensively rewritten and updated, remains the only full-length critical study to cover various phases of Dario Fo's theatrical career. It looks at Fo's political influences and also the influence on his work of various

theatrical motifs, including the great clown traditions which stretch back to the middle ages. The political work of Dario Fo and his wife/collaborator Franca Rame is charted from the 1960s up to the present to give the reader clear insight into this playwright/performer's unique literary and theatrical strengths. Each of Fo's plays and productions is discussed at length and the author has included an extensive and updated bibliography which includes full production details, quotes and writings about Fo. Always a popular performer in his native Italy, Fo has been one of the world's most performed dramatists. In the author's words: he is the "people's court jester".

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. *Confessions of an Italian*, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil,

Her previous translations include Luigi Meneghello's *Deliver Us* and Ottavio Cappellani's *Sicilian Tragedee* and Sergio Luzzatto's *Padre Pio: Miracles and Politics in a Secular Age*. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include *Garibaldi. Invention of a Hero*. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnero 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - The Literary Encyclopedia
