Mom.” Says James Taranto of The Wall Street Journal, “ Every smart young woman should seriously consider Susan Patton ’ s commonsense advice. Sure, it ’ s controversial—but only because it ’ s so vital. ” A graduate of one of the first classes of women at Princeton University, Susan Patton has heard smart young women admit they aspire to marriage and motherhood but have no model for pursuing those goals. Reflecting on the choices she made in her early twenties, she ’ s boldly turned the tables on our “ career first ” conditioning and suggests that you seek out the golden opportunities right in front of you, right now. In *Marry By Choice, Not By Chance*, Patton shares the wisdom of her experience with warmth, humor, and very straight talk. But this is not your mother ’ s dating guide—*Marry By Choice, Not By Chance* celebrates the vital achievements of traditional marriage and motherhood, and gives you the essential life strategies that no one ’ s talking about, including how to strike while the greatest number of single young men is available to you; attract a man who is your intellectual and emotional equal; date to find a mate; and find total satisfaction in your roles as a wife and mother. Whether or not you are in college, whether your future plans are clear or still undecided, *Marry By Choice, Not By Chance* is a must-read for all young women who want to get the most out of love and life.

Twenty-first century advances in technology, transportation, and business models have enabled companies of all sizes to enter markets once thought to be the exclusive domain of giant enterprises. In this environment, innovation has emerged as the competitive differentiator that will propel companies to become global leaders. Supplying practical guidance for integrating innovation throughout the organization, *Chance or Choice: Unlocking Innovation Success* introduces the authors ’ proprietary ENOVALE methodology. ENOVALE is a blueprint that provides leaders and managers of any organization with a strategic framework to initiate and maintain innovation and achieve a sustainable competitive advantage. What makes this book different is that it originates from decades of experience, cutting-edge research, and empirical evidence. The results come from the authors ’ work on Project Impact, an ongoing multiyear global study to measure attitudes, opinions, and disposition of different cultures towards innovation. Expanding on the current definition of innovation, the book: Spells out a detailed "how-to" approach for those responsible for innovation leadership Outlines practical solutions and time-tested strategies Emphasizes the role of the individual as the ultimate innovator Presents concepts that are applicable across a range of industries, including the services industry Rather than relegating innovation to the R&D and engineering functions, the book extends the ENOVALE framework into all functions of your organization. It also details a project strategy useful for any type of innovation to help you lead your teams in leveraging the innovative capabilities valued by your customers and users. Throughout the book, the authors outline the tools and concepts you will need to move your organization from simply surviving to thriving in today ’ s brutally competitive global environment.

Happiness is the ultimate goal for so many of us, but why does it often feel like a destination that ’ s completely unreachable? Everybody wants a better life, yet for so long we have been looking in all the wrong places and directing our focus outwards for solutions that can only be found on the inside. In *Now Is Your Chance*, Niyc Pidgeon offers the missing piece of the puzzle to help you stop chasing your joy and finally start feeling it! Grounded in Niyc ’ s training as a Positive Psychologist and her many years of coaching experience, *Now Is Your Chance* offers a 30-day guide to creating powerful, purposeful and meaningful change. It does not require any external resources — there ’ s nothing new to buy, sign up for or schedule, and no other person to call on. You already have everything you need to start and succeed. Inspiring, motivating and practical, this programme shows you how to create a life filled with authentic and lasting joy. With this book, you have no excuse to put off your happiness until tomorrow — *Now Is Your Chance*.

A concise and coherent overview of Leibniz, ideal for second- or third-year undergraduates who require more than just a simple introduction to his work and thought.
