Simon Snow just wants to relax and savour his last year at the Watford School of Magicks, but no one will let him. His girlfriend broke up with him, his best friend is a pest and his mentor keeps trying to hide him away in the mountains where maybe he'll be safe. Simon can't even enjoy the fact that his room-mate and longtime nemesis is missing, because he can't stop worrying about the evil git. Plus there are ghosts. And vampires. And actual evil things trying to shut Simon down. When you're the most powerful magician the world has ever known, you never get to relax and savour anything. Based on the characters Simon and Baz who featured in Rainbow Rowell's bestselling *Fangirl*, *Carry On* is a ghost story, a love story, a mystery and a melodrama. It has just as much kissing and talking as you'd expect from a Rainbow Rowell story - but far, far more monsters.

In the world of screen culture, the teacher is inevitably represented as a charismatic figure, able to tackle the deprivations or problems the students face and to form special relationships with them that no other staff colleague can. But how realistic are such representations, and what do real world teachers think about their reel world counterparts? This book takes a closer look at the charismatic teacher as portrayed in films such as *Goodbye, Mr. Chips* and *To Sir, With Love*, and in television series such as *Hearts and Minds*, and *Teachers*, and notes the reactions of classroom teachers to such portrayals. It considers the eccentric, resilient or romantic - but always charismatic - teacher in inner city schools, private or state schools and contrasts them with the words of practising teachers about their work.

Seven years after the terrorist attack of 9/11 killed his father, Tate Rodriguez has angst to spare. His sole purpose in life is to make his late father proud by acting as drum major in his high school marching band during the Macy's Thanksgiving Day Parade. When money becomes an obstacle, Tate turns to best friend Max for ideas, but with a troubled past in an underground fighting ring, Max's wariness of returning to a life he barely escaped leaves him with little help to offer. The pair becomes a trio when they rope in bashful bandmate Cameron to compete as a punk band of their own for the cash prize of their school talent show. Unfortunately, Cameron's friendship comes at a price, and with his circle of socialites thwarting the band's success at every turn, Tate turns to a local dry-cleaner for

rehearsal space. With space to spare, The Carry Out is perfect for rehearsal, especially since it is run by Lyle, a girl in Tate's piano class he can't seem to forget. As the talent show draws near, stakes rise as the four teenagers confront the troubles of their pasts. Will their internal struggles and obstacles of race and angst bring them closer together to achieve their ultimate goal, or will the four be left shattered beyond repair? Morgan Huntley had always considered herself plain – kind of a nerd, certainly conservative. Jeremiah Martin was gorgeous, popular, outgoing and passionate about baseball. How on Earth did the stars of these two polar opposites intertwine? No one can say, but it was a love like legends are made of. When Jeremiah's dream of a professional baseball career rises, he risks throwing it all away for her, but Morgan sacrifices her own passionate love so he can pursue his dream. Morgan marries Will Tomlin whose charm and wit fade quickly to reveal a dark abusive past. Will's demons haunt the relationship and Morgan finds herself the victim of emotional and physical abuse that culminates in a tragic and fatal showdown. Widowed and alone, Morgan must pick up the remnants of her life. When Jeremiah returns, Morgan wonders if she can ever truly love again. Amanda Vittitow presents a dramatic portrayal of the light and dark sides of love in Carry On, Oh My Soul.

My name is How To Make A Billion Leones From Home, and I am a book. Not any old book. A special book! I am special; not because I was written to make you wealthy, which I was. Ohh no! I have the special distinction of having been written with Sierra Leone in mind. You see, relative to the total number of books written every year, not many books are written with Sierra Leone in mind. So, I am chuffed to be alive and in your hands right now. Really chuffed!!! You give me life!
