fearsome God she's only just beginning to learn about, and in love with a man who despises her people. With everything she's ever known swept away, will Kiya turn back toward Egypt or surrender her life and her future to Yahweh?

In the year 1355 BCE, the land of Egypt was

the superpower of the known world. King Tut's father, Akenaten, the so-called 'heretic pharaoh,' is on the verge of catapulting Egypt into a revolution that will forever divide its people and rip the most powerful empire on the earth from its foundation. Will Akenaten's staunch religious conviction protect his people and his family,

or will the threat of betrayals, curses, murderous jealousies, plagues, famine, and foreign enemies be their undoing?

This book is a historical novel. It combines historical records with likely, but also speculative events and ideas, such as beliefs, love, family relations, leadership qualities or

lack thereof, beliefs, conjugal and family ties among Egyptian royalty, religion and religious upheaval, and a unique, revolutionary departure from traditional Egyptian religion, from polytheism to monotheism and finally the murder of a pharaoh. The worship of light and its permanence through all subsequent

civilizations was historically introduced by Akhenaten, and is visually presented to the reader. The story happened at a crucial time when Egypt expanded its intellectual as well as commercial ties throughout what we now call the Middle East. It was at a time when the presence of Hebrews in Egypt was documented and when the Moses ' story

and the Exodus presumably occurred. Some credence is given to the Bible, to Sigmund Freud ' s book ' Moses and Monotheism ' , to the the two Jewish theologian brothers Massoud at the University of Montpellier in France, and to Ahmed Osman, an Egyptian archaeologist in England. All this is interwoven with the

authors' own ideas. The primary goal of the author was not to convince the reader of the truth of the story, but to develop an interesting and credible story. The secondary goal was to advance the notion that light—particularly sunlight—is not just a physical phenomenon but the principal radiation and tradition on our planet, the

Amidst a power struggle between Pharaoh and the priesthood of Amun, Queen Nefertiti helps the ill-prepared new Pharaoh, Amenhotep, enact his father's plan to regain power for the throne. But what seemed a difficult task only becomes more grueling when Amenhotep loses himself in his radical

obsessions. Standing alone to bear the burden of a failing country and stem the tide of a growing rebellion, Nefertiti must choose between her love for Pharaoh and her duty to Egypt in this dramatic retelling of a story forgotten by time.

Akhenaten, also known as Amenhotep IV,

# Online Library Kiya Hope Of The Pharaoh Trilogy 1

was king of Egypt during the Eighteenth Dynasty and reigned from 1375 to 1358 B.C. E. Called the "religious revolutionary," he is the earliest known creator of a new religion. The cult he founded broke with Egypt's traditional polytheism and focused its worship on a single deity, the sun god Aten. Erik Hornung, one of the world's

preeminent Egyptologists, here offers a concise and accessible account of Akhenaten and his religion of light. Hornung begins with a discussion of the nineteenth-century scholars who laid the foundation for our knowledge of Akhenaten's period and extends to the most recent archaeological finds. He emphasizes

that Akhenaten's monotheistic theology represented the first attempt in history to explain the entire natural and human world on the basis of a single principle.

"Akhenaten made light the absolute reference point," Hornung writes, "and it is astonishing how clearly and consistently he pursued this concept." Hornung also

addresses such topics as the origins of the new religion; profound changes in beliefs regarding the afterlife; and the new Egyptian capital at Akhetaten which was devoted to the service of Aten, his prophet Akhenaten, and the latter's family.

In The Twelfth Transforming, bestselling

author Pauline Gedge returns to ancient Egypt to reveal the mysterious reign of Akhenaten, the impetuous pharaoh who threatened to ruin his country. The dramatic story of Akhenaten's disastrous ruling is also the tale of Empress Tiye, a mother struggling to save her land from the catastrophe of her son's choices. Gedge's vivid descriptions of
