A pocket-sized collection of 25 easy mindfulness practices you can do anytime, anywhere—from the author of Mindful Eating Mindfulness can reduce stress, improve physical health and quality of life, and give you deep insight. Meditation practice is one way to do it, but not the only way. In fact, there are easy ways to fit it into your everyday life. Jan Chozen Bays provides here 25 practices that can be used on the go to cultivate mindfulness. The three-breath practice, the mindfulness of entering rooms, offering compliments, tasting your food one careful bite at a

time—these deceptively simple practices can have a cumulative effect for the better. Use them to cultivate the gratitude and insight that come from paying attention with body, heart, and mind to life's many small moments. This book is an abridgment of Bays' longer collection *How to Train a Wild Elephant: And Other Adventures in Mindfulness*. *Mindfulness on the Go* is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

You lead a busy life. You're constantly running between tasks, notebook in one hand, iPhone in the other. You've probably read about the benefits of mindfulness, and added 'Start doing mindfulness' to your ever-growing to-do list but frankly, who has time to meditate every day, chant in the lotus position, or read long books on finding inner calm? This brilliant handbook is packed with suggestions for ways to help you slow down, refocus and practice a form of mindfulness that actually fits in with your hectic life. Wherever you're going, whatever you're doing, you can make these mindfulness techniques a seamless part of your daily routine, without having to put any special time aside for them - and so feel calmer and less stressed - at work, at home, as a parent, in your relationships or when travelling.

"First published in Great Britain in 2014 by Yellow Kite, an imprint of Hodder & Stoughton."--Title page verso.

“Mindfulness” is a term that has become widely used in recent years, but it is often misunderstood. This book is a practical guide to mindfulness, showing how to use it in everyday life. It is written in a clear, accessible style and includes many practical exercises and meditations. It is a great resource for anyone who wants to learn more about mindfulness and how to use it to improve their life.

An updated tenth anniversary edition of the best-selling guide explains how anyone can use mindfulness--the Buddhist art of living each moment fully as it happens--to reduce anxiety, achieve inner peace, find fulfillment, and enrich one's life, accompanied by a series of anecdotes, instructions, and meditations. Reprint. 100,000 first printing.
