By Donald Tyson Necronomicon: The Wanderings of Alhazred ...

Alhazred was compelled to watch the unholy fruit of his union with the princess roasted over embers on a spit, and was made to eat portions of the flesh of the infant corpse. The king hired desert nomads to carry him eastward into the depths of the Roba el Khaliyeh, the Empty Space as it was known to the ancients, where he was left without water to die.

Necronomicon: The Wanderings of Alhazred eBook by Donald ...

The protagonist Alhazred is self-possessed, selfish, and deceitful. He is a eunuch, a grave robber, a cannibal, a necromancer, and an apostate. His only redeeming qualities are perhaps his determination, sense of purpose, and intellect. Despite all that you can’t help but be on his side throughout the book.

Anyone familiar with H. P. Lovecraft’s work knows of the Necronomicon, the black magic grimoire he invented as a literary prop in his classic horror stories. There have been several attempts at creating this text, yet none stand up to Lovecraft’s own descriptions of the Necronomicon...until now. Fans of Lovecraftian magic and occult fiction will delight in Donald Tyson’s Necronomicon, based purely within Lovecraft’s own fictional universe, the Cthulhu Mythos. This grimoire traces the wanderings of Abdul Alhazred, a necromancer of Yemen, on his search for arcane wisdom and magic. Alhazred’s magical adventures lead him to the Arabian desert, the lost city of Irem, ruins of Babylon, lands of the Old Ones, and Damascus, where he encounters a variety of strange creatures and accrues necromantic secrets.

H. P. Lovecraft’s compelling character, Abdul Alhazred, is brought to life in this epic tale detailing the mad sorcerer’s tragic history and magical adventures. Alhazred tells his own life story, beginning with himself as a poor, handsome boy in Yemen who attracts the attention of the king for his divine skill in poetry. As the court poet, young Abdul lives a luxurious life at the palace, where he studies necromancy and magic. But falling in love with the king’s daughter leads to a foolish tryst, which is ultimately discovered. As punishment, Abdul is tortured, brutally mutilated, and cast into the desert, known as the Empty Space. Battling insanity, he joins a tribe of ghouls and learns forbidden secrets from a stranger called Nyarlathotep. Thus begins his downward spiral into wickedness. Renamed Alhazred, he escapes the desert and embarks on a quest to restore his body and reunite with his true love. Traveling across the ancient world and fantastic realms, he is hounded by foes and tormented by the demands of his dark lord.

On the heels of his widely successful trilogy of works honoring H. P. Lovecraft, Donald Tyson now unveils a true grimoire of ritual magic inspired by the Cthulhu Mythos. The Grimoire of the Necronomicon is a practical system of ritual magic based on Lovecraft’s mythology of the alien gods known as the Old Ones. Fans of Lovecraft now have the opportunity to reliably and safely get in touch with the Old Ones and draw upon their power for spiritual and material advancement. Tyson expands upon the Old Ones’ mythology and reintroduces these "monsters" in a new, magical context—explaining their true purpose for our planet. As a disciple, you choose one of the seven lords as a spiritual mentor, who will guide you toward personal transformation. Grimoire of the Necronomicon features ritual forms and invocations for the daily and yearly rites of the Old Ones, individual rituals devoted to each of the seven major figures of the mythos, and most importantly, a grand ritual for personal attainment. The daily rituals provide an excellent system of esoteric training for individual practitioners. This grimoire also provides structure for an esoteric society—Order of the Old Ones—devoted to the group practice of this unique system of magic.

The symbolism of these vividly illustrated cards corresponds with astrology, the elements, and the Golden Dawn, while the 78-card decks structure honors the boundaries of traditional tarot. The book features detailed descriptions of the cards and the meaning for both upright and reversed positions.

Thirteen points of entry. Locked gateways to magical realms of immense power—and danger, for the uninitiated. Within these pages are thirteen keys. Enter the Necronomicon and be forever changed. In this authentic sourcebook for magicians, occult scholar Donald Tyson uses H. P. Lovecraft ’ s story elements and characters—alien races, ancient sorceries, the Dreamlands, deities, witches, and ghouls—as the foundation for a workable and coherent system of modern ritual magic based on the thirteen true zodiacal constellations. This authoritative guide presents the essential elements of the Necronomicon mythos for use in esoteric practices such as dream scrying, astral projection, magical rites, and invocations.

Occult scholar Donald Tyson plumbs the depths of H. P. Lovecraft’s cosmic visions and horrific dream world to examine, warts and all, the strange life of the man who created the Necronomicon and the Cthulhu mythos. Lovecraft expressed disdain for magic and religion, and most of his biographers have dismissed the mystical side of his nature. This book redresses this imbalance. Here you will find the roots of Lovecraft’ extraordinary cosmic vision laid bare. The dream-world sources for his mythic Old Ones are examined, along with the practical esoteric implications of Lovecraft’s unique mythology. A man in fundamental conflict with himself, Lovecraft lived always on the brink of madness or suicide. Tyson reveals Lovecraft for what he truly was—a dreamer, an astral traveler, and the prophet of a New Age.Praise: "The Dream World of H. P. Lovecraft is a thought-provoking and intellectually stimulating book. Its fusion of sound biographical knowledge and critical insight makes it a must-read for Lovecraftians."—S.T. Joshi, Leading Authority on H. P. Lovecraft

Ritual Magic, by Donald Tyson, provides a historical, theoretical, and practical introduction to the astonishing world of magic--not mere myth and delusion nor tricks and illusion, but real magic. In Ritual Magic you will learn what is possible with magic. Can magic bring rains from a clear sky? Can it calm stormy seas? Can real magic change the outcome of great battles? By using this book as a road map of Western occultism, you will discover the truth about magic and use it to improve your life.

The dark history of the Necronomicon – – one of the world’s most feared and fascinating books – – told by the one man who saw it all...and lived to tell the tale. The Necronomicon is one of the most controversial books ever published. The master of Gothic suspense, H.P. Lovecraft, wrote about a mystical and dreaded grimoire, known as the Necronomicon – – an ancient text written by an Arab that, if it were to fall into the wrong hands, could have disastrous consequences. But no one thought the Necronomicon had any basis in the world outside of Lovecraft’s fiction. Until... Simon was a young man drawn to the mysterious world of the occult through his association with several Eastern Orthodox religions and his friendship with the owner of an occult bookstore in Brooklyn. In 1972 he stumbled upon a stolen text in a friend’s apartment, unaware that what he held in his hands was the real Necronomicon – – something long thought to be a creation of Lovecraft’s brilliant mind and deft pen. After an arduous translation, done in the utmost secrecy (since the tome was in fact stolen), Simon and his close circle of friends unveiled the now – infamous grimoire to a clamoring public. In Dead Names, Simon tells the amazing true story that surrounds the Necronomicon. From the main players’ humble beginnings in the pageantry – filled and secret world of Eastern Orthodox religion, to the accidental discovery of the Necronomicon, to the Son of Sam murders, the JFK assassination , the brilliant William S. Burroughs, and the eventual suspicious deaths of almost everyone involved with the grimoire, this book is an enthralling account of a book steeped in legend, lies, and murder.

Say goodbye to ceremonial robes, incense, candles, and oils. Donald Tyson presents a new, easy way to perform ritual magic with only one tool: tarot. From manipulating elemental forces of nature to making potent charms, all ceremonial rituals can be performed with a standard 78-card deck. Tyson’s efficient system of tarot magic is based on the Golden Dawn tradition, which corresponds with tarot imagery. He teaches how to work magic on the astral level by projecting one’s awareness into the ritual tarot layout. Learn how to set up an astral temple, build an altar, cast a magic circle, and create a triangle through which to actualize your purpose. This innovative guide to tarot magic also includes rituals related to unions, banishing, and evoking elementals. Previously sold as Portable Magic (9780738709802).
