Sea of Poppies is a stunningly vibrant and intensely human work that confirms Amitav Ghosh's reputation as a master storyteller. At the heart of this epic saga is a vast ship, the Ibis. Its destiny is a tumultuous voyage across the Indian Ocean to the Mauritius Islands. As to the people on board, they are a motley array of sailors and stowaways, coolies and convicts. In a time of colonial upheaval in the mid-nineteenth century, fate has thrown together a truly diverse cast of Indians and Westerners, from a bankrupt Raja to a widowed village-woman, from a mulatto American freedman to a free-spirited European orphan. As they sail down the Hooghly and into the sea, their old family ties are washed away, and they view themselves as jahaj-bhais, or ship-brothers, who will build whole new lives for themselves in the remote islands where they are being taken. It is the beginning of an unlikely dynasty.

At the heart of this vibrant saga is a vast ship, the Ibis. Its destiny is a tumultuous voyage across the Indian Ocean; its purpose, to fight China's vicious nineteenth-century Opium Wars. As for the crew, they are a motley array of sailors and stowaways, coolies and convicts. In a time of colonial upheaval, fate has thrown together a diverse cast of Indians and Westerners, from a bankrupt raja to a widowed tribeswoman, from a mulatto American freedman to a freespirted French orphan. As their old family ties are washed away, they, like their historical counterparts, come to view themselves as jahaj-bhais, or ship-brothers. An unlikely dynasty is born, which will span continents, races, and generations. The vast sweep of this historical adventure spans the lush poppy fields of the Ganges, the rolling high seas, the exotic backstreets of Canton. But it is the panorama of characters, whose diaspora encapsulates the vexed colonial history of the East itself, that makes Sea of Poppies so breathtakingly alive—a masterpiece from one of the world's finest novelists.

" A triumph of storytelling " The Hindu It is 1839. The British, whose opium exports to China have been blockaded by Beijing, are planning an invasion to force China 's hand. In Calcutta, Zachary Reid, an impoverished young sailor, dreams of his lost love and of a way to make his fortunes. Heading towards Calcutta is Havildar Kesri to lead a regiment of Indian volunteers in the upcoming war. In Mumbai, Shireen Modi prepares to sail alone to China to reclaim her opium trader husband 's wealth and reputation. In Canton, Neel becomes an aide and translator to a senior Chinese official as Beijing begins to prepare for war with Britain and the more he sees, the more worried he becomes—for the Chinese have neither the ships nor the artillery to match the British in modern warfare. The future seems clear but do the Chinese know it?

'As hypnotic as an opium dream and pretty unputdownable' Daily Mail In September 1838 a storm blows up on the Indian Ocean and the Ibis, a ship carrying a consignment of convicts and indentured laborers from Calcutta to Mauritius, is caught up in the whirlwind. When the seas settle, five men have disappeared - two lascars, two convicts and one of the passengers. Did the same storm upend the fortunes of those aboard the Anahita, an opium carrier heading towards Canton? And what fate befell those aboard the Redruth, a sturdy two-masted brig heading East out of Cornwall? Was it the storm that altered their course or were the destinies of these passengers at the mercy of even more powerful forces? On the grand scale of an historical epic, River of Smoke follows its storm-tossed characters to the crowded harbors of China. There, despite efforts of the emperor to stop them, ships from Europe and India exchange their cargoes of opium for boxes of tea, silk, porcelain and silver. Among them are Bahram Modi, a wealthy Parsi opium merchant out of Bombay, his estranged half-Chinese son Ah Fatt, the orphaned Paulette and a motley collection of others whose pursuit of romance, riches and a legendary rare flower have thrown together. All struggle to cope with their losses - and for some, unimaginable freedoms - in the alleys and crowded waterways of 19th century Canton. As transporting and mesmerizing as an opiate induced dream, River of Smoke will soon be heralded as a masterpiece of twenty-first century literature.

Three lives collide on an island off India: " An engrossing tale of caste and culture ... introduces readers to a little-known world. " —Entertainment Weekly Off the easternmost coast of India, in the Bay of Bengal, lies the immense labyrinth of tiny islands known as the Sundarbans. For settlers here, life is extremely precarious. Attacks by tigers are common. Unrest and eviction are constant threats. At any moment, tidal floods may rise and surge over the land, leaving devastation in their wake. In this place of vengeful beauty, the lives of three people collide. Piya Roy is a marine biologist, of Indian descent but stubbornly American, in search of a rare, endangered river dolphin. Her journey begins with a disaster when she is thrown from a boat into crocodile-infested waters. Rescue comes in the form of a young, illiterate fisherman, Fokir. Although they have no language between them, they are powerfully drawn to each other, sharing an uncanny instinct for the ways of the sea. Piya engages Fokir to help with her research and finds a translator in Kanai Dutt, a businessman from Delhi whose idealistic aunt and uncle are longtime settlers in the Sundarbans. As the three launch into the elaborate backwaters, they are drawn unawares into the hidden undercurrents of this isolated world, where political turmoil exacts a personal toll as powerful as the ravaging tide. From the national bestselling author of Gun Island, The Hungry Tide was a winner of the Crossword Book Prize and a finalist for the Kiriyama Prize. " A great swirl of political, social, and environmental issues, presented through a story that 's full of romance, suspense, and poetry. " —The Washington Post " Masterful. " —Publishers Weekly (starred review)
