Sujok centre in Montreal In Korean 'Su' means hands and 'Jok' means feet. Thus, SuJok actually means treating on hands and feet. SuJok Acupuncture is a Physical & Metaphysical, Natural Therapy of healing without drugs. It is an instant and effective healing therapy without medication and is absolutely safe and does not have any side effects

Moxa - Sujok Academy of Canada

The bases of su-jok therapy in Plamen Ivanov's are presented accessibly and concisely. The unnecessary theorizing has been avoided. The ground has been presented so that each person (even without medical training) could master and apply this wonderful treating method within two-three hours. It has specially been stressed on the possibility for home treatment with moxa - independently or on a recommendation of an expert.

Hands and Feet by anatomical structure possess the most manifest likeness to the human body . This may mysterious similarity plays and important role making it possible to realize that other body parts and internal organs also boast their own correspondence systems . they are incorporated by the homosystem of the human body . which is the inalienable part of the hierarchic homo- system of the universe . the homo system provides interrelation of all its constituent similar elements and maintains the harmony and stability of existence . standerd correspondence systems of hands and feet prove to be the most effective and simple ones among all treatment correspondence systems that is why they are widely used.

Balance your body, mind, and spirit and heal yourself with your own hands using this clear, step-by-step illustrated guide to the practice of the ancient Japanese healing art of Jin Shin—written by a trained expert with nearly three decades of experience. You might be surprised to learn that the majority of today's most common ailments including anxiety, backaches, colds and flu, digestive issues, immune disorders, migraines, and insomnia, can be alleviated naturally by restoring and harmonizing blocked, stagnant energy. The art of Jin Shin, based on the Japanese healing art of energy medicine, is practiced throughout the world. While related to acupressure and massage therapy, this holistic practice uses only minimal pressure and gentle touching with the fingers and hands to redirect or unblock the flow of energy along the body's fifty-two points (twenty-six on each side of the body)—called Safety Energy Locations, or SELs—areas where energy tends to get congested. This simple, non-invasive process allows your body's energy to flow smoothly, and with balance restored, you will experience a sense of wellbeing

and calm. The Art of Jin Shin explains all the basics of this healing art and provides you with the knowledge you need to practice it on yourself—with exercises ranging from simply holding a finger for a few minutes to spending twenty minutes to harmonize a specific circulation pattern. Whether you desire a deeper understanding of the body/mind/spirit connection or want to create a daily Jin Shin maintenance routine the power is literally at your fingertips.

An up-to-date guide to the principles and practice of Chinese and Western ear acupuncture, this book is aimed at both the student and practitioner. It includes chapters covering ear acupuncture used in the treatment of addiction and Western theories about how acupuncture works.

In vogue since ancient times, colour therapy has now come of age as a holistic method of treatment. Global research justifies the application of colour in many disorders. Administered by a trained practitioner, colour therapy is safe, complementary to other systems and relatively inexpensive in India. Modern man spends most of his life cooped up within homes, offices or automobiles. Thanks to the odd hours they keep, some people even spend a few months without being exposed to sunlight. The body and mind are casualties when we miss out on the invigorating colour vibrations present in nature. The good health of the ancients was partly because they allowed all colours in nature to energise their bodies by being outdoors during the day. Having a proper balance of healthy colours in the interiors of our homes and offices can partly rectify this shortcoming. The Magic Therapy of Colours outlines the history of colour therapy, modern methods of utilising colour and the areas it is beneficial in. The book is an invaluable guide for those seeking holistic benefits from colour therapy.

Colour therapy is a discipline whose principles are based on an ancient system of knowledge that divides the body into principal chakras or centres, each of which is governed by a specific colour. It seeks to cure disorders and promote well-being by channelling healing energy through the use of colour. This book explores the world of colour therapy and provides useful tips on how to cure ailments, maximise your potential and create harmony by using the right colours in your environment.

Study on the history of Fatimites; includes Arabic text of the portion of Ismailite literature concerning Fatimites.

Have you ever wished magic was real? Do you ever feel powerless, as though the world has it in for you, or that nothing ever goes your way? Have you wished there were a magic word you could utter that would change everything? If so, I have good news for you. Magic is real. And you can use mere words to affect the people, events, objects and relationships of your life in exciting and beautiful ways. This book will teach you the technique of using Magic Words. It's the most spectacularly effective method for creating change in just about any area you can think of. Magic Words is devastatingly simple to master. It takes no preparation, costs nothing, anyone can do it, and you can start using it immediately. If you are consistent with the practice, you may well see a change within just a few days. Magic Words is the technique consistently reported by my coaching clients as the most effective, and more people report success with this practice than any other. I personally use it every single day of my life. My promise is this: use Magic Words consistently and as described, and you'll see massive changes too.
