Homi Palsetia is a bestselling and acclaimed thriller writer. Living in a posh bungalow in Pali Hill, he's also single, debonair and charming male, believing only in no-strings attached relationships for fun. Having just released his seventh book, he feels he's being stalked by a woman who claims to be madly in love with him. He gets blackmailed on the phone, and feels someone is visiting him at night, spying on him. The media says he's faking it to promote his book. He himself can't be sure. Things get more complicated when Czech-Spanish acclaimed author Alyna Escobar, from Castilla in Spain, comes into his life. Intelligent, bold and beautiful, she challenges his ways, and makes him think about love and commitment. However, their camaraderie is threatened by the stalker, who claims to want Homi all for themselves. Is Homi actually being stalked by an obsessed fan? Or it is part of his imagination? Will he change his Casanova-like ways for Alyna? Will Alyna accept him despite his history with women? If the stalker is real, what do they want? Will the police ever catch them? Will Homi learn their identity?

The first English translation of a lost classic that reinvents the flaneur in Berlin. Franz Hessel (1880–1941), a German-born writer, grew up in Berlin, studied in Munich, and then lived in Paris, where he moved in artistic and literary circles. His relationship with the fashion journalist Helen Grund was the inspiration for Henri-Pierre Roche's novel *Jules et Jim* (made into a celebrated 1962 film by Francois Truffaut). In collaboration with Walter Benjamin, Hessel reinvented the Parisian figure of the flaneur. This 1929 book—here in its first English translation—offers Hessel's version of a flaneur in Berlin. In *Walking in Berlin*, Hessel captures the rhythm of Weimar-era Berlin, recording the seismic shifts in German culture. Nearly all of the essays take the form of a walk or outing, focusing on either a theme or part of the city, and many end at a theater, cinema, or club. Hessel deftly weaves the past with the present, walking through the city's history as well as its neighborhoods. Even today, his walks in the city, from the Alexanderplatz to Kreuzberg, can guide would-be flaneurs. *Walking in Berlin* is a lost classic, known mainly because of Hessel's connection to Benjamin but now introduced to readers of English. *Walking in Berlin* was a central model for Benjamin's Arcades Project and remains a classic of “walking literature” that ranges from Surrealist perambulation to Situationist “psychogeography.” This MIT Press edition includes the complete text in translation as well as Benjamin's essay on *Walking in Berlin*, originally written as a review of the book's original edition. “An absolutely epic book, a walking remembrance.”
—Walter Benjamin

An American Poet in Paris is a literary biography of Pauline Avery Crawford, a remarkable American expatriate who wrote for the Paris edition of the *New York Herald Tribune* in the 1930s and 1940s. Interspersed in the biography are numerous quotations from Crawford's poetry and letters, along with an account of her fascinating life in Paris, a life that included the turbulent years before, during, and after World War II. Crawford was reared in the frontier town of Fort Collins, Colorado, went east to attend college, and then became a faculty wife. Her early happiness was marred by tragedy when her husband committed suicide, leaving her with two small boys, and her sister, whom she had joined in Paris, died of tuberculosis. Crawford contracted acute articular rheumatism and had to spend two long, painful years in the American Hospital in Neuilly. Despite the loss of a leg, this widow with two young children carved out a new life for herself in the pages of the *Paris Herald Tribune*. Therein she recorded the events of those dramatic pre- and postwar years in both poetry and prose. As a constant contributor to the “Mailbag,” the column of letters to the editor, Crawford became a celebrity in the Anglo-American community even though she advocated American intervention in the war in a newspaper whose readership was largely isolationist. In the postwar years, the editor asked her to create a column that he dubbed “Our Times in Rhyme.” In this column, which she wrote until shortly before her death in 1952, she provided an amusing, sometimes sarcastic, and often cheering commentary on world events and life in Paris, leavened with some of the more serious sonnets she had always loved to write. Well informed and well written, *An American Poet in Paris* throws light on a particular time and place as seen through the eyes of one extraordinary woman, in an unusual and pioneering American newspaper. Crawford's poetry and wit still sparkle, the controversies in which she indulged remain of interest, and her detailed description of life in occupied Paris is especially compelling.

Paris was the epicenter of art during the latter half of the nineteenth century, luring artists from around the world with its academies, museums, salons, and galleries. Despite the city's cosmopolitanism and its cultural stature, Parisian society remained strikingly conservative, particularly with respect to gender. Nonetheless, many women painters chose to work and study in Paris at this time, overcoming immense obstacles to access the city's resources. *Women Artists in Paris, 1850-1900* showcases the remarkable artistic production of women during this period of great cultural change, revealing the breadth and strength of their creative achievements. Guest Curator Laurence Madeline (Chief Curator at *Musées d'art et d'histoire*, Geneva) has selected close to seventy compelling paintings by women of varied nationalities, ranging from well-known artists such as Berthe Morisot, Mary Cassatt, and Rosa Bonheur, to lesser-known figures such as Kitty Kielland, Louise Breslau, and Anna Ancher.

This is a personal history of the twentieth century as seen through the eyes of Edith Kurzweil, author, teacher, editor of *Partisan Review*, and a recent recipient of the National Medal of Humanities. The book opens with Kurzweil early adolescence in Vienna during the Nazi takeover. It ends with the author finding herself in the new century. In between, she kept moving on and interrogating the world around her. The reader follows Kurzweil on her perilous journey, at the age of fourteen, to Belgium, through France, Spain, and Portugal, alone with her younger brother. Her fantasies of reunion with her parents in New York kept her going but came to naught: she had not expected to fall from a wealthy childhood into the life of the working-class poor, as a millinery apprentice or a diamond cutter. Instead of entering college life, she eventually became a conventional American housewife. Unhappy and anxious, she anticipated the social changes in America, and returned to Europe with her second husband and her two children. She arrived at the beginning of the Italian miracle--its post-war revitalization. In Milan she met many Americans as an active member of its community and of the British-American club. After personal tragedy she returned to New York, and only then pursued her early intellectual ambitions. The author eventually became a professor of sociology and quickly climbed up the academic ladder. Just as she had been as a little girl, she still “wanted to know everything,” beginning with her study of Italian entrepreneurs and going on to European history and French thought, to psychoanalysis and anti-Semitism. Her early

writings prompted William Phillips, co-founder and editor of Partisan Review, to invite her into the elite circle of New York intellectuals. She worked alongside him, first as a reader, then as executive editor, and took over the editorship of the legendary journal during its final period. Kurzweil's journey was one of courage, and of emotional and intellectual growth. Full Circle will be of interest to intellectual and cultural historians, literary and Holocaust scholars, and American studies specialists.
